

Cumulus Media | San Francisco is looking to hire a full-time Producer to join our KNBR-AM 680 team.

Who We Are:

Cumulus | San Francisco is home to six of the Bay Area's favorite radio stations – KNBR 680/1050, KFOG, KSAN (107.7 The Bone), KGO and KSFO. Our award-winning stations feature Rock on KFOG; Classic Rock on The Bone; the best sports coverage and live broadcasts of the Giants and the 49ers on KNBR the Sports Leader and compelling talk and information on KGO and KSFO.

Cumulus owns and runs 446 radio stations in 90 U.S. markets, as well as Westwood One Networks, serving over 8,000 stations worldwide. Over 225 million people per week engage with a Cumulus or Westwood One asset making it an exciting and unique career opportunity! We are constantly creating new windows for success and strive to give world class tools to help you succeed and reach your full potential as an employee.

Our Opportunity:

The successful candidate knows we work in the entertainment business and takes pride in the success of their air talent. Using your skills, our well-equipped studios, your strategic thinking and creative abilities to constantly put the station in a position to succeed is what this position is all about. If you understand leadership from a support position we'd like to hear from you today. This is not an entry level position.

The successful candidate's responsibilities will include:

- Live management of the station's daily moment to moment sound and on air presence
- Assistance in creating and updating all station imaging/ production elements
- Assisting with the station's digital presence including web, social media platforms, simulcasts, podcasting and video
- Collaborating with promotions and sales departments to ensure that revenue opportunities are maximized while heightening the station's image when station sponsors and/or on location events are planned and activated
- Tactical planning for show units, immediate and long term guest booking, athlete/celebrity interviews
- Daily collaboration with the station's hosts and station Program Director to ensure that the station's content is as powerful as possible with regards to the station's target audience and ratings potential
- Assisting with imaging that supports local programming as well as station contesting, promotions and specific imaging campaigns

Qualifications/Requirements:

This position requires a high level of organization, planning and communication skills. An advanced understanding of programming strategy with regards to PPM measurement is a must. Must be familiar with maximizing a sports station's reach across Facebook, Twitter & Instagram. Ability to manage and complete multiple ongoing tasks in a deadline driven environment. Must be able to book timely

sports/entertainment guests; operate control board and engineer play by play; receive and screen listener calls during the broadcast; manage digital editing and podcasts; assist with digital editing including but not limited to Adobe Audition. content, and live events.

What we offer:

- Competitive pay
- Collaborative and creative work environment
- Tools, resources and coaching to succeed
- Opportunity for career progression and professional growth
- Medical, Dental & Vision Insurance package
- 401K with company match to plan for the long term
- Vacation & Holidays to enjoy the fruits of your labor
